Device Status Report

birstall_router

Config Applied
ip multicast-routing distributed
ip access-list standard acl-retail-ssm
10 permit 239.0.0.0 0.0.0.255
ip pim ssm range acl-retail-ssm
int tunnel 11
ip pim sparse-mode
int tunnel 12
ip pim sparse-mode
Interface GigabitEthernet0/0/0.160
ip pim sparse-mode
ip igmp version 3
end

anlaby_router

Config Applied
ip multicast-routing distributed
ip access-list standard acl-retail-ssm
10 permit 239.0.0.0 0.0.0.255
ip pim ssm range acl-retail-ssm
int tunnel 11
ip pim sparse-mode
int tunnel 12
ip pim sparse-mode

Interface GigabitEthernet0/0/0.160
ip pim sparse-mode
ip igmp version 3
end

Failed Devices

The following devices failed to complete:
- **mollison_router**: TCP connection to device failed.
- **aintreeequestriancentre1(main)_router**: TCP connection to device failed.
- **cheltenhamunit3suncentrecourse_router**: TCP connection to device failed.
- **cheltenhamunit8bestmate_router**: TCP connection to device failed.
- **cheltenhamunit9guinness_router**: TCP connection to device failed.
- **exeter_router**: TCP connection to device failed.
- **newmarketunit2rowleygrandstand_router**: TCP connection to device failed.
- **newmarketunit3rowleygrandstand_router**: TCP connection to device failed.
- **newmarketunit5julypaddock_router**: TCP connection to device failed.
- **plumpton2_router**: TCP connection to device failed.
- **pontefractunit2_router**: TCP connection to device failed.
- **cardiffcityconcentrator1_router**: TCP connection to device failed.
- **cardiffcityconcentrator2_router**: TCP connection to device failed.
- **cardiffcitystadiumunit1_router**: TCP connection to device failed.
- **cardiffcitystadiumunit2_router**: TCP connection to device failed.
- **cardiffcitystadiumunit3_router**: TCP connection to device failed.
- **cardiffcitystadiumunit4_router**: TCP connection to device failed.
- **cardiffcitystadiumunit5_router**: TCP connection to device failed.
- **celticparkunit3_router**: TCP connection to device failed.
- **celticparkhospitalitybettingareaunit4_router**: TCP connection to device failed.
- **rangersunit2_router**: Authentication to device failed.
- **rangersunit10_router**: TCP connection to device failed.
- **lightandwonder(oldham)(wasscientificgames)_router**: TCP connection to device failed.
- **4gtestconnection1_router**: TCP connection to device failed.
- **4gtestconnection2_router**: TCP connection to device failed.
- **4gtestconnection3_router**: TCP connection to device failed.
- **4gtestconnection4_router**: TCP connection to device failed.
- **4gtestconnection5_router**: TCP connection to device failed.
- **4gtestconnection6_router**: TCP connection to device failed.
- **4gtestconnection7_router**: TCP connection to device failed.
